Independent Auditors' Report

Board of Directors
Interfaith Residence d/b/a Doorways
St. Louis, Missouri

Report On The Audit Of The Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Interfaith Residence d/b/a Doorways and related entities, all not-for-profit organizations, (collectively, Doorways), which comprise the consolidated statement of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Interfaith Residence d/b/a Doorways and related entities, as of June 30, 2022 and 2021, and the changes in their net assets and their cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Consolidated Financial Statements section of our report. We are required to be independent of Doorways and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter - Restatement Of Previously Issued Financial Statements

In our report dated December 8, 2022, we expressed an unmodified opinion on the June 30, 2022 consolidated financial statements of Interfaith Residence d/b/a Doorways and related entities. As described in Note 22, Doorways has restated its consolidated statements of financial position, activities and cash flows as of and for the year ended June 30, 2022. Our opinion is not modified with respect to this matter.

Responsibilities Of Management For The Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Doorways' ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities For The Audit Of The Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Doorways' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Doorways' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required By *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2022, except for the impact of the restatement described in Note 22, as to which the date is March 16, 2023, on our consideration of Interfaith Residence d/b/a Doorways' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Interfaith Residence d/b/a Doorways' internal control over financial reporting and compliance.

1. Operations

Interfaith Residence d/b/a Doorways (Interfaith) was incorporated in the State of Missouri as a not-for-profit corporation on February 22, 1988, organized for the purpose of providing social welfare, health and charitable services, and support to all persons who may be afflicted with catastrophic illnesses.

In the 1980s, people diagnosed with the frightening new disease called HIV/ AIDS were abandoned by families, shunned by society, and dying alone and homeless. St. Louis civic and faith leaders formed Interfaith to address the epidemic by providing hospice housing and services. Medications now deliver viral suppression and undetectable status, and the organization's focus shifted from serving the dying to building lives for the living. By providing safe, affordable housing for people living with HIV/AIDS (PLWH/A), the organization lays the foundation for improved access to healthcare and social services, increased compliance with individual treatment plans, and enhanced quality of life for those living with the disease.

Interfaith Residence d/b/a Doorways is the largest HIV-serving organization in Missouri, a recognized leader and trusted resource in the field, with a reputation for competence among both government and private agencies. Twice the recipient of a Best Practice Award from the U.S. Department of Housing and Urban Development (HUD), Interfaith Residence d/b/a Doorways has been recognized for its "excellence in addressing complex housing and supportive services for persons with HIV/AIDS." The organization's Cooper House, Residential Care Facility, was awarded the prestigious Award for Excellence in Supportive Housing by Enterprise Community Partners and the MetLife Foundation.

The primary supportive programs provided by Interfaith include:

***Emergency Housing* -** responds to clients who are homeless and in desperate situations by offering 60-90 days of housing. Interfaith's housing coordinators work closely with these individuals to secure permanent housing. More than 350 people in housing crisis were sheltered during the year ended June 30, 2022.

***Own Home* -** prevents homelessness by providing rent, mortgage, and utility subsidies for clients at-risk of losing their housing. More than 1,400 clients were served by Own Home during the year ended June 30, 2022.

Residential **-** provides 103 units of permanent housing in seven buildings in the City of St. Louis. Each development is designed for individuals and families who are capable of independent living but have financial and health issues, which limit their ability to pay fair market rent.

Within the Residential program, Interfaith sponsors five independent living facilities for persons with HIV/AIDS disabilities: Jefferson Park, Inc. d/b/a Anne's House, Tenth And Lami, Inc., Mama Nyumba, Kaya Malaika and Partridge Place. The Board members for these organizations were selected from Interfaith's Board members, and Interfaith has an economic interest in these organizations. Interfaith also operates two additional independent living facilities known as Delmar and Gertrude.

Cooper House **-** the only program of its kind in the region, is a 36-bed facility, providing 24-hour nursing care for those who are suffering more serious health conditions or are unable to live independently. In addition to round-the-clock supervision and nursing care, a dining room, commercial kitchen, and numerous social and recreational areas allow for interdisciplinary care-planning. This enables clients to achieve good physical health, behavioral health and stable housing goals.

Jumpstart **-** provides accelerated permanent housing for homeless single individuals with young children. Direct client aid in the form of transportation and food vouchers enables client families to remain in medical care and access other community social services, while raising children who are ready to learn.

Out-State **-** offers housing services through direct grants from HUD, to clients in 62 under-served counties in outstate Missouri and 55 in Illinois. This program collaborates with one sub-recipient service provider in Missouri and one in Illinois, providing capacity-development training, technical assistance, and administrative support in an effort to increase housing options for PLWH/A.

Empowerment Programs **-** to strengthen self-sufficiency, offerings include behavioral health counseling, employment assistance, individualized care coordination, self-development programming, community activities, and access to resources.

Interfaith also owns 100% of Doorways 2.0 Developer, L.L.C. (the "Developer") and Doorways 2.0 GP, L.L.C. (the "General Partner"), entities formed to acquire, finance, lease, hold for investment, mortgage, own, operate, sell, exchange, encumber, or otherwise dispose of property.

On January 13, 2021, Interfaith closed on a New Markets Tax Credit (NMTC) deal as described in Note 7. In preparation for this transaction, Interfaith formed Doorways 2.0 Services, a not-for-profit organization that will be utilized as a supporting organization and the Qualified Active Low Income Community Business (QALICB). The QALICB will operate in such a way that it qualifies as a Qualified Active Low-Income Community Business under the definition of the NMTC Program under Internal Revenue Code (IRC) Section 45(d). Given an economic interest, this entity has been consolidated for financial statement purposes with Interfaith. Doorways 2.0 Services has no members and is managed by a Board of Directors that consists of six Board members. Of the six members, four shall be members of the Interfaith Board ("Interfaith Directors"). The remaining two members shall be appointed by the Interfaith Directors.

On March 12, 2021, Interfaith closed on a Low-Income Housing Tax Credit (LIHTC) deal. As part of the transaction, Doorways 2.0, L.P. (Limited Partnership) was created to acquire, own, rehabilitate, manage and operate real estate located in the City of St. Louis. Interfaith is General Partner of Doorways 2.0, L.P. and owns 0.01% of the Limited Partnership. Due to the Limited Partner's controlling ownership interest, Interfaith is not deemed to have a controlling interest, and the Limited Partnership is not consolidated for financial statement purposes with Interfaith.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The consolidated financial statements of Doorways have been prepared on the accrual basis of accounting.

Recent Accounting Pronouncements

Effective July 1, 2021, Doorways implemented Accounting Standards Update (ASU) No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (ASU 2020-07). ASU 2020-07 requires not-for-profits to present contributed nonfinancial assets as a separate line item in the consolidated statement of activities and provide additional disclosures about contributions of nonfinancial assets. Contributed nonfinancial assets, commonly referred to as gifts-in-kind, include assets (such as land, buildings, and equipment), use of fixed assets or utilities, materials and supplies, intangible assets, services and unconditional promises of those assets. The adoption of ASU 2020-07 did not materially impact the Organization's consolidated financial statements.

Principle Of Consolidation

In addition to the five independent living facilities described in Note 1 and consolidated with Interfaith for this report, the accompanying consolidated financial statements include the accounts of Doorways 2.0 Services, Doorways 2.0 GP, L.L.C. and Doorways 2.0 Developer, L.L.C. These nine entities are collectively referred to as Doorways or Organization. All significant inter-entity investments, transactions and account balances have been eliminated in consolidation.

Cash, Cash Equivalents And Restricted Cash

The following is a reconciliation between cash, cash equivalents and restricted cash reported within the consolidated statement of financial position and the total cash, cash equivalents and restricted cash on the consolidated statement of cash flows as of June 30:

	2022	2021
Cash and cash equivalents - operations	$ 873,493	$ 1,779,693
Cash and cash equivalents included in investments	11,951	3,182
QALICB disbursing account for construction	664,114	5,163,868
QALICB reserve escrow	190,863	223,843
Tenants' security deposits	23,008	22,707
Other escrows	3,426	3,426
Reserves for replacements	625,114	554,391
Residual receipts reserves	14,790	14,789
Total Cash, Cash Equivalents And Restricted Cash	$ 2,406,759	$ 7,765,899

Basis Of Presentation

Financial statement presentation follows the requirements issued by the Financial Accounting Standards Board (FASB) for not-for-profit organizations, which require Doorways to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of Doorways. These net assets may be used at the discretion of management and the Board of Directors.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Doorways or by the passage of time.

Estimates And Assumptions

Management uses estimates and assumptions in preparing consolidated financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Operating And Nonoperating Activity

Operating results in the consolidated statement of activities reflect all transactions except net realized and unrealized gains (losses) on investments, loss on disposal of fixed assets, forgiveness of Affordable Housing Program Subsidy loan and Paycheck Protection Program loan extinguishment of debt.

Fair Value Measurements

Instruments measured and reported at fair value are classified and disclosed in one of the following categories:

Level 1 Quoted prices are available in active markets for identical instruments as of the reporting date. Instruments, which are generally included in this category, include listed equity and debt securities publicly traded on a stock exchange.

Level 2 Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level 3 Pricing inputs are unobservable for the instrument and include situations where there is little, if any, market activity for the instrument. The inputs into the determination of fair value require significant management judgment or estimation.

Cash And Cash Equivalents

Cash and cash equivalents are comprised of demand deposits and other short-term investments, which are readily convertible to cash. Doorways has an insured cash sweep account service, which sweeps funds over the FDIC-limit into various FDIC-insured institutions on a daily basis.

Accounts Receivable And Grants Receivable

Accounts and grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible receivables through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the receivable. Changes in the valuation allowance for tenant accounts receivable have not been material to the consolidated financial statements. A valuation allowance is not considered necessary for grants receivable and other accounts receivable.

Promises To Give

Unconditional promises to give in future periods are recognized as support in the period the promises are received. Conditional promises to give, that is, those with a measurable performance or other barrier, are not recognized until the conditions on which they depend have been met. Promises to give are recorded at the present value of the estimated future cash flows, net of an allowance for uncollectible promises based on historical experience and a review of outstanding balances.

Conditional contributions not recognized due to the existence of measurable performance barriers at June 30, 2022 were $9,035,730 in government grants, of which $7,187,730 is expected to be recognized in 2023. Conditional contributions not recognized due to the existence of measurable performance barriers at June 30, 2021 were $5,505,550 in government grants, of which $3,657,550 was expected to be recognized in 2022.

Investments

Investments in equity and debt securities with readily determinable fair values are measured at fair value in the consolidated statement of financial position. Investment income (including realized and unrealized gains(losses) on investments) is included in increase (decrease) in net assets without donor restrictions unless the income is restricted by donor or law. Realized gains or losses on the sale of investments are determined on the specific identification method.

Doorways invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statement of financial position.

Restricted Deposits And Funded Reserves

Restricted deposits and funded reserves are comprised of interest-bearing checking and savings accounts.

Property And Equipment

Property and equipment are carried at cost, if purchased, or at fair value, if donated, less accumulated depreciation computed using the straight-line method. The assets are depreciated over periods ranging from 3 to 40 years.

Doorways reviews its investment in property and equipment for impairment whenever events or changes in circumstances indicate that the carrying value of such property and equipment may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the property and equipment to the future net undiscounted cash flow expected to be generated by the property and equipment, including the residual value. If the property and equipment is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount exceeds the fair value. There was no impairment loss recognized for the years ended June 30, 2022 or 2021.

Debt Issuance Costs

Debt issuance costs totaling $450,883 consist of fees for obtaining the financing for the New Markets Tax Credit transaction and are being amortized using the straight-line method over the life of the mortgage loan. Accumulated amortization totaled $22,544 and $7,515 at June 30, 2022 and 2021, respectively. Amortization expense amounted to $15,029 and $7,515 as of June 30, 2022 and 2021, respectively, and is included in interest expense on the consolidated statement of functional expenses for the years ended June 30, 2022 and 2021, respectively.

Debt issuance costs totaling $34,624 consist of fees for obtaining the financing for the construction bridge loan and are being amortized using the straight-line method over the life of the loan. Accumulated amortization totaled $22,792 and $15,045 at June 30, 2022 and 2021, respectively. Amortization expense amounted to $7,747 and $15,045 and is included in interest expense on the consolidated statement of functional expenses for the years ended June 30, 2022 and 2021, respectively.

Accounting principles generally accepted in the United States of America require that the effective yield method be used to amortize financing costs; however, the effect of using the straight-line method is not materially different from the results that would have been obtained under the effective yield method.

Loan, Note And Interest Receivable

The loan, note and interest receivable are stated at the amount management expects to collect from balances outstanding at year end. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of the loan. Management's periodic evaluation of the adequacy of the allowance is based on the loan's past performance, known and other inherent risks, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral, and current economic conditions. Balances still outstanding after management has used reasonable collection efforts will be written off through a charge to the valuation allowance and a credit to loan and interest receivable. Based on management's assessment of its credit history and current relationship with the borrower, management does not believe an allowance is necessary as of June 30, 2022 and 2021 (Note 6).

Rent Revenue

The rental property is generally leased to tenants under month-to-month noncancellable operating leases. Rent revenue is recognized on a straight-line basis over the terms of the leases.

Revenue Recognition

In May 2014, the FASB issued a new accounting standard that amends the guidance for the recognition of revenue from contracts with customers to transfer goods and services. The FASB subsequently issued additional clarifying standards to address issues arising from implementation of the new revenue recognition standard. The new revenue recognition standard and clarifying standards require an entity to recognize revenue when control of promised goods or services is transferred to the customer at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Doorways adopted this new standard as of July 1, 2020, by applying the full retrospective approach. The adoption of this standard did not have an impact on the amount of revenue recognized by Doorways.

Medicaid and private pay service revenue is reported at the estimated net realizable amounts from residents/patients, third-party payers and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined. Payment for services under the Medicaid program is based on the standard daily billing rates for such services.

The opening and closing balances of receivables from Medicaid and private pay for services for the year ended June 30, 2022 were $171,855 and $208,781, respectively. The opening and closing balances of receivables from Medicaid and private pay for services for the year ended June 30, 2021 were $178,890 and $171,855, respectively.

During 2021, Interfaith entered into a contract pharmacy services agreement whereby Interfaith purchases covered medication and sells it to eligible residents under Section 340B of the Public Health Services Act. Interfaith appointed a pharmacy to act as its duly authorized agent for the purpose of negotiating and recommending provider contracts with 340B participating drug manufacturers, wholesalers, or distributors. Purchases of covered drugs made by the pharmacy, as agent for the provider, are shipped to the pharmacy and billed to the provider. The pharmacy places orders for covered drugs on behalf of Interfaith in accordance with good faith estimates of inventory requirements for such products and based upon relevant information provided by Interfaith. All sales are considered point-of-sale transactions and the fiscal year and timing of services match. Revenue from the 340B program totaled $1,054,414 and $586,229 and expenses totaled $709,149 and $391,608 for the years ended June 30, 2022 and 2021, respectively. The opening and closing balances of receivables from the 340B program for the year ended June 30, 2022 were $77,317 and $87,889, respectively. The closing balance of receivables from the 340B program for the year ended June 30, 2021 were $77,317. There was no opening balance from the 340B program for the year ended June 30, 2021.

Doorways recognizes revenue when promised goods or services are transferred to the customer in an amount that reflects the consideration expected in exchange for those goods or services.

Support With And Without Donor Restrictions

Doorways reports gifts of cash and other assets as net assets with donor restrictions or without donor restrictions, depending on the existence and/or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Doorways has adopted the policy of reporting net assets released from restrictions upon completion of the donor purpose restriction, regardless of whether the related cash has been received.

Grants

Grants that are deemed to be conditional contributions - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met.

All federal, state and local grants are recognized as revenues only to the extent allowable expenses have been incurred under the terms of their respective agreements. The remaining portions received in advance of allowable expenses being incurred are recorded as refundable advances on the consolidated statement of financial position. Refundable advances amounted to $247,945 and $325,221 at June 30, 2022 and 2021, respectively.

Contributed Nonfinancial Assets

Certain professional services are donated by various organizations. When these donated services meet the criteria for recognition under Accounting Standard Codification (ASC) 958-605, they are recorded at fair value at the date of donation.

Doorways also receives donated materials, which are recorded at fair value at the date of receipt. Doorways records the value of donated materials when there is an objective basis available to measure their value (Note 18).

In addition, a number of volunteers have donated a significant amount of their time to Doorways' programs. However, such donated services have not been recorded because they do not meet the criteria for recognition.

Developer Fee Income

Doorways 2.0 Developer, L.L.C. (Developer) entered into a Development Agreement for the Doorways 2.0 campus expansion project. As part of the Development Agreement, the Developer will earn a Developer Fee to be paid in accordance with the Development Agreement. The Development Fee for the year ended June 30, 2021 totaled $152,129. During 2022, no additional Developer Fee had been earned.

Paycheck Protection Program (PPP) Loan

Interfaith had a loan that was part of the Paycheck Protection Program (PPP) established under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and administered by the U.S. Small Business Administration (SBA). In accordance with the requirements of the CARES Act, Interfaith used the proceeds from the loan exclusively for qualified expenses under the PPP as further detailed in the CARES Act and applicable guidance issued by the SBA. Interfaith considered the PPP loan to be debt, subject to the provisions of FASB ASC 470, *Debt*. Interfaith did not impute additional interest at a market rate as transactions where interest rates are prescribed by governmental agencies are not subject to the accounting guidance on imputing interest.

The loan remained recorded as a liability until either (1) the loan was, in part or wholly, forgiven and the debtor legally released or (2) the debtor paid off the loan to the creditor. Once the loan was, in part or wholly, forgiven and legal release was received, Interfaith reduced the liability by the amount forgiven and recorded a gain on extinguishment (Note 9).

Description Of Program Services And Supporting Activities

The following program services and supporting activities are included in the accompanying consolidated financial statements:

Program Services

Includes those expenditures to assist Doorways in providing housing and related needs along with quality support and social services to persons with HIV/AIDS.

Management And General

Includes the functions necessary to maintain an equitable employment program; ensure an adequate working environment; provide coordination and articulation of Doorways' program strategy; secure proper administrative functioning of the Board of Directors; and manage the financial and budgetary responsibilities of Doorways.

Private/Public Fund Development

Provides the structure necessary to encourage and secure public funds (government grants) and private financial support from corporations, foundations and individuals through various fundraising and special events, including Capital Campaigns.

Expense Allocation

Expenses including depreciation, repairs and maintenance, seminars, travel and recruiting, office supplies, telephone, postage and printing, professional services, insurance, and miscellaneous costs are charged to program services and supporting activities on the basis of management's estimates on how resources are specifically utilized. Expenses that are directly identifiable as program services include direct assistance, security contracts and pharmaceutical - 340B program. Personnel costs, including salaries and wages, employee benefits, and payroll taxes are charged to program and supporting activities on the basis of monthly time and expense studies and management estimates. Supporting activities expenses are not directly attributable to providing program services and include public relations/fundraising, interest and bad debt expense.

Reclassifications

Certain 2021 amounts have been reclassified, where appropriate, to conform to the presentation used in the 2022 consolidated financial statements.

Tax Status

Interfaith Residence d/b/a Doorways, Jefferson Park, Inc., Tenth And Lami, Inc., Mama Nyumba, Kaya Malaika, Partridge Place, and Doorways 2.0 Services each constitute a qualified not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code and they are, therefore, exempt from federal income taxes on related, exempt income. Doorways 2.0 Developer, L.L.C. and Doorways 2.0 GP, L.L.C are single member LLCs, of which Interfaith is the single member and thus they are also exempt under Section 501(c)(3).

The entities' tax returns for tax years 2018 and later remain subject to examination by taxing authorities.

	$ 4,426,451	$ 170,447	$ —	$ 4,596,898

Investments carried at fair value are categorized as Level 1 for fair value purposes, except for preferred stocks and certain corporate bonds, which are categorized as Level 2.

These assets utilize the following valuation techniques and inputs:

Preferred Stocks and Corporate Bonds: The fair values of investments in preferred stocks and corporate bonds are primarily determined using techniques that are consistent with the market approach. Significant observable inputs include benchmark yields, reported trades, observable broker-dealer quotes, issuer spreads, and security specific characteristics, such as early redemption options.

At June 30, 2022 and 2021, unrealized losses of $979,031 and unrealized gains of $864,859, respectively, were recorded to adjust investments to fair value. For the years ended June 30, 2022 and 2021, realized gains of $215,377 and $86,820, respectively, were recorded.

6. Loan, Note And Interest Receivable

On January 13, 2021, Interfaith entered into a New Markets Tax Credit (NMTC) transaction, further discussed in Note 7, which will enable construction of a new office building. Interfaith serves as the Leverage Lender in the NMTC structure.

Utilizing financial resources from the results of Interfaith's Beyond Tonight capital campaign, predevelopment costs incurred and cash on hand, Interfaith made a leverage loan of $5,821,400 to Twain Investment Fund 522, LLC (the Investment Fund). The loan accrues interest at an annual rate of 1%, with quarterly payments of accrued interest due. Interest-only quarterly payments began on March 15, 2021. Commencing March 15, 2028, quarterly interest payments of all accrued and unpaid interest at the interest rate plus an amount of principal sufficient to amortize the outstanding principal amount over the remaining term of the loan on a level payment basis shall be due with the final payment of principal and accrued interest due on the note's maturity on January 12, 2048. The loan is secured primarily by the Investment Fund's membership interest in the sub-CDE, St. Louis New Markets Tax Credit Fund 67, LLC.

As of June 30, 2022 and 2021, principal of $5,821,400 and accrued interest of $14,554 and $27,167, respectively, was outstanding.

On March 12, 2021, Interfaith entered into a Low-Income Housing Tax Credit (LIHTC) transaction, further discussed in Note 7, to enable construction of a new residential building. As part of the financing, funds were awarded to Interfaith from the Federal Home Loan Bank and the City of St. Louis Mental Health Board in the amounts of $750,000 and $250,000, respectively. The funds were then passed to Doorways 2.0, GP, L.L.C. and then to Doorways 2.0, L.P. as part of the new Doorways 2.0 campus financing plan. Doorways 2.0, L.P. will repay Doorways 2.0, GP, L.L.C. $1,010,000 as part of the General Partner loan on the project. As of June 30, 2022, principal of $1,010,000, was outstanding and is payable from Doorways 2.0, L.P.'s Available Annual Net Cash Flow.

On March 12, 2021, as part of the closing on the LIHTC deal, Interfaith funded $10,000 to Doorways 2.0, L.P. through Doorways 2.0, GP, L.L.C. This amount is payable from Doorways 2.0, L.P.'s Available Annual Net Cash Flow.

7. Long-Term Debt

Capital Advances

During 2003, Kaya Malaika entered into a Capital Advance Agreement (the Note) for a capital advance in the amount of $2,157,100, under Section 811 of the National Affordable Housing Act (NAHA). The Note is secured by a first deed of trust on the property. The Note shall bear no interest and shall be repayable only if Kaya Malaika does not remain available for very low-income, eligible individuals or families as approved by the U.S. Department of Housing and Urban Development (HUD) for no less than 40 years. If default is made by Kaya Malaika under the terms of the capital advance, the entire principal sum shall at once become due and payable without notice.

The debt evidenced by this Note may not be prepaid prior to the maturity date of August 2042 without the prior written approval of HUD. Provided the housing project has remained available for occupancy by eligible families until the maturity date of the Note, and the Note has not otherwise become due and payable by reason of defaults under the Note, mortgage or Regulatory Agreement, the Note shall be deemed to be paid and discharged. The balance at June 30, 2022 and 2021 amounted to $2,157,100.

During 2006, Partridge Place entered into a Capital Advance Agreement (the Note) for a capital advance in the amount of $1,576,500, under Section 811 of the National Affordable Housing Act (NAHA). The Note is secured by a first deed of trust on the property. The Note shall bear no interest and shall be repayable only if Partridge Place does not remain available for very low-income, eligible individuals or families as approved by HUD for no less than 40 years. If default is made by Partridge Place under the terms of the capital advance, the entire principal sum shall at once become due and payable without notice.

The debt evidenced by this Note may not be prepaid prior to the maturity date of January 2047, without the prior written approval of HUD. Provided the housing project has remained available for occupancy by eligible families until the maturity date of the Note, and the Note has not otherwise become due and payable by reason of defaults under the Note, mortgage or Regulatory Agreement, the Note shall be deemed to be paid and discharged. The amount of the Capital Advance outstanding at June 30, 2022 and 2021 is $1,576,500.

Affordable Housing Program Subsidies

On June 30, 2005, Partridge Place entered into an Affordable Housing Program Agreement for Rental Project for an Affordable Housing Program Subsidy (the Subsidy) in the amount of $497,000 with the Federal Home Loan Bank of Des Moines. Partridge Place was subject to a deed restriction on the property, and the subsidy was repayable only if Partridge Place did not remain occupied by and affordable for households with incomes at or below 50% of area median income for a period of 15 years from February 2007. Additionally, at least 20% of Partridge Place's units (four units) had to be reserved for tenants qualified as "homeless" households. If default was made by Partridge Place under the terms of the Subsidy Agreement, the entire subsidy, including interest if appropriate, as determined in the Bank's discretion, at once became due and payable without notice. The amount of the Subsidy outstanding at June 30, 2021 was $497,000. As the 15-year term expired in February 2022, the Subsidy balance was reported as a current liability at June 30, 2021. During the year ended June 30, 2022, the Federal Home Loan Bank of Des Moines released the full loan in the amount of $497,000. This amount was recognized as loan forgiveness on the 2022 consolidated statement of activities. No subsidy remains payable at June 30, 2022.

On March 14, 2019, Interfaith entered into an Affordable Housing Program Agreement for Rental Project with Subsidy on behalf of Mama Nyumba in the amount of $535,000, with the Federal Home Loan Bank of Des Moines. Mama Nyumba is subject to a deed restriction on the property and the Subsidy shall be repayable only if the Project does not utilize the funds to finance the purchase, construction or rehabilitation of rental housing in which all 14 units will be occupied by and affordable for households at or below 50% of median income for a period of 15 years, beginning on the date of substantial project completion. If default is made by Mama Nyumba under the terms of the Subsidy Agreement, the entire Subsidy, including interest if appropriate, as determined in the Bank's discretion, shall at once become due and payable without notice. The amount of the Subsidy outstanding at June 30, 2022 and 2021 is $535,000.

Developer Subsidy Grants

On August 31, 2005, Partridge Place entered into a Housing Development Grant Agreement for a grant in the amount of $296,800 with the City of St. Louis Affordable Housing Commission. Partridge Place is subject to a deed restriction on the property, and the grant shall be repayable only if Partridge Place does not remain occupied by and affordable for households with incomes at or below 20% of area median income for a period of 30 years from the project completion date February 2007. If default is made by Partridge Place under the terms of the Grant Agreement, the entire amount shall at once become due and payable without notice. The amount of the grant outstanding at June 30, 2022 and 2021 is $296,800.

On January 19, 2016, Interfaith entered into a Housing Development Grant Agreement for a grant in the amount of $80,092 with the City of St. Louis Affordable Housing Commission for the rehabilitation of Gertrude. Gertrude is subject to a deed restriction on the property, and the grant shall be repayable only if Gertrude does not remain occupied by and affordable for households with incomes at or below 20% of area median income for a period of 30 years from the project completion date, September 1, 2016. If default is made by Interfaith under the terms of the Grant Agreement, the entire amount shall at once become due and payable without notice. The amount of the grant funded and outstanding at June 30, 2022 and 2021 is $80,092.

New Markets Tax Credit Loans

In preparation for this transaction, a new not-for-profit organization was established, Doorways 2.0 Services (QALICB). The QALICB will complete construction and hold title to the office building as well as lease said facility to Interfaith. The QALICB will operate in such a way that it qualifies as a Qualified Active Low-Income Community Business under the definition of the NMTC Program under Internal Revenue Code (IRC) §45(d).

From this Qualified Equity Investment (QEI), loan financing is being provided by St. Louis New Markets Tax Credit Fund 67, LLC (sub-CDE) to the QALICB to finance the facility expansion. Collectively, these loans are secured by the QALICB's Deed of Trust. In addition, on behalf of the QALICB, Interfaith has guaranteed interest payments on these loans as well as other guarantees to the sub-CDE. On a quarterly basis, the QALICB must certify to the sub-CDE the QALICB's compliance with NMTC compliance requirements, including that the QALICB remains a Qualified Active Low-Income Community Business.

This loan financing consists of two loans in the amounts of $5,821,400 (Loan A) and $1,858,600 (Loan B) with the sub-CDE. Both loans bear interest at 1.153911% per annum with quarterly interest payments due beginning March 5, 2021. Commencing on January 1, 2028, quarterly principal and interest payments on Loans A and B of $72,134 and $23,030, respectively, shall be due, with final principal and interest payments due upon the loans' maturity on March 5, 2028. The loans may not be prepaid in whole or in part at any time prior to January 13, 2028.

At both June 30, 2022 and 2021, principal of $5,821,400 and $1,858,600, respectively, was outstanding on these loans. Interest incurred and capitalized on these loans during 2022 and 2021 amounted to $88,620 and $41,356, respectively, of which $22,155 remains outstanding at June 30, 2022 and 2021 and is included in accounts payable and accrued expenses on the consolidated statement of financial position.

Interfaith also entered into an Admin Bridge Loan Line of Credit with Busey Bank in the amount of $3,462,400. The loan bears interest at the prime rate minus twenty-five basis points, provided in no event shall the loan rate be less than 3.00%. The loan rate at closing was 3.0%. The interest rate at June 30, 2022 is 4.5%. Interest payments are due monthly beginning on February 21, 2021. This agreement requires Interfaith to apply all capital contributions received by it to the repayment of the loan until the loan is paid in full. All capital contributions required to be used for repayment of the loan shall be paid as follows: (1) any individual capital contributions of $25,000 or more will be paid to the lender within 15 calendar days of receipt, and (2) all other capital contributions of lesser amounts will be paid to the lender in one aggregate payment on a monthly basis no later than the twenty-first of each month following the month in which such capital contribution were received, together with a ledger of pledges and receipts of all capital contributions updated for such amounts received. The loan matures on January 13, 2026. Interfaith has pledged its interest in pledges receivable (promises to give) to Busey Bank as collateral.

At June 30, 2022 and 2021, principal of $1,183,157 and $1,957,869, respectively, was outstanding. Interest incurred and expensed amounted to $47,999 and $31,630 for the years ended June 30, 2022 and 2021, respectively.

On January 13, 2021, Interfaith entered into a Line of Credit Loan with Busey Bank in the amount of $2,500,000. The Line of Credit Loan was amended on May 4, 2022 to increase the amount to $3,250,000. The loan bears interest at the weekly average yield on the United States Treasury securities adjusted to a constant maturity of 1 month plus 200 basis points provided that in no event shall the loan rate be less than 2%. The loan rate at closing was 2.01%. The interest rate at June 30, 2022 is 2.62%. Interest payments are due monthly beginning on February 21, 2021. The remaining balance of principal and interest is due upon maturity at January 13, 2023. As of June 30, 2022, $500,000 was outstanding. No amounts were drawn on the line of credit during the year ended June 30, 2021.

Interfaith has granted a security interest in its Pledge Account at Busey Bank and the investments held at Stifel Nicolaus & Company, Inc. to Busey Bank as collateral.

On June 7, 2022, Interfaith entered into a second Line of Credit Loan with Busey Bank in the amount of $1,750,000 under a revolving line of credit agreement. The loan bears interest at the Wall Street Journal Prime rate with a floor of 3.25%. The loan rate at closing was 3.50%. The interest rate at June 30, 2022 is 4.75%. Interest payments are due monthly beginning on June 21, 2022. The remaining balance of principal and interest is due upon maturity at June 7, 2023. No amounts were drawn on the line of credit during the year ended June 30, 2022.

Following the completion of construction on the office building, in October 2022, Interfaith will lease the office building from the QALICB under a lease agreement approximating 30 years, expiring January 31, 2051. In addition to the quarterly base rent, Interfaith will also pay for utilities, insurance, repairs and maintenance at the leased facility.

In addition, Interfaith has agreed to perform certain tenant improvements during construction that will be funded by Interfaith, the tenant, in the amount of $2,569,344, subject to change orders during construction. No amounts have been funded as of June 30, 2022 or 2021.

Doorways 2.0, L.P. Financing

On December 12, 2020, Interfaith, as Project Sponsor, entered into an Affordable Housing Program Agreement ("Agreement") for Rental Project with Subsidy on behalf of Doorways 2.0, L.P. in the amount of $750,000, with the Federal Home Loan Bank of Des Moines (FHLB). These funds were drawn down in 2022 and passed through to Doorways 2.0, GP, L.L.C. and then to Doorways 2.0, L.P.

Per the terms of the Agreement, Doorways 2.0, L.P. is subject to a deed restriction on the property and the Subsidy shall be repayable only if Doorways 2.0, L.P. does not utilize the funds to finance the purchase, construction or rehabilitation of rental housing in which 40 units will be occupied by and affordable for households at or below 50% of median income and 10 units will be occupied by and affordable for households between 51 and 60% of median income for a period of 15 years, beginning on the date of substantial project completion. If default is made by Doorways 2.0, L.P. under the terms of the Subsidy Agreement, the entire Subsidy, including interest if appropriate, as determined in the FHLB's discretion, shall at once become due and payable without notice by either the Project Sponsor or Doorways 2.0, L.P. The amount of the Subsidy outstanding at June 30, 2022 is $750,000. The balance of the loan is forgivable after 15 years if compliance is maintained.

On March 12, 2021, Interfaith entered into a Promissory Note with the City of St. Louis Mental Health Board (MHB Note) in the amount of $250,000. The MHB Note shall be used to finance Doorways 2.0, L.P.'s construction of a residential building. Per the terms of the MHB Note, Interfaith is subject to occupancy requirements which require the development of a behavioral health program, evaluation and data tracking system, including, without limitation, support of 15 units dedicated to individuals with mental health conditions, substance abuse, or other serious behavioral health conditions. If default is made by Interfaith or Doorways 2.0, L.P., the entire principal payment for that year shall be due. If compliance is maintained, $25,000 each year will be deemed paid in full on each annual payment date until the maturity date on March 12, 2031. As of June 30, 2022, no forgiveness has been recognized.

The funds noted above from FHLB and the MHB Note were paid to a disbursing agent on behalf of Interfaith, passed to Doorways 2.0, GP, L.L.C. and then to Doorways 2.0, L.P. as part of the new Doorways 2.0 housing construction financing plan. Doorways 2.0, L.P. will repay Doorways 2.0, GP, L.L.C. $1,010,000 as part of the General Partner loan on the project.

8. Lines Of Credit

On May 21, 2014, Doorways entered into a revolving line-of-credit agreement with a bank to support operational needs, as needed. The unsecured agreement provided for maximum borrowings of $500,000, with one-year maturity terms renewing in May of each year. The line of credit matured in June 2021 and was not renewed. Interest was payable monthly at the prime rate (3.25% at June 30, 2021) with a 4% floor. Doorways was required to maintain a minimum 12-month average balance of $500,000 of cash and cash equivalents and/or short-term investments. As of June 30, 2021, no amounts were outstanding on the line. Interest expense for the year ended June 30, 2021 amounted to $4,613.

On May 9, 2019, Interfaith entered into an additional line of credit agreement with Busey Bank to provide maximum borrowings of $1,300,000. The outstanding amount bore interest at a fixed rate of 5.50% and was secured by a deed of trust on various properties owned by Interfaith. Interest-only payments were payable monthly from June 2019 through May 2021, at which time all unpaid principal and interest were due. For the year ended June 30, 2021, interest incurred under this agreement totaled $50,526, which was capitalized and included in fixed assets.

On March 10, 2021, Interfaith entered into an additional line of credit agreement with Busey Bank to provide maximum borrowings of $371,250. As of June 30, 2022 and 2021, there was no outstanding balance. The outstanding amounts bear interest at a variable rate which is the U.S. Prime Rate as published in the Bonds, Rates and Yields section of The Wall Street Journal. The interest rate at issuance was 3.25%. The interest rate at June 30, 2022 is 4.75%. Interest-only payments are payable monthly from April 2021 through March 2023, at which time all unpaid principal and interest are due.

Interest during the construction period, totaling $136,816 and $155,126 for the years ended June 30, 2022 and 2021, respectively, has been capitalized and is included in construction in progress.

9. Paycheck Protection Program Loan

On April 22, 2020, Interfaith qualified for and received a loan pursuant to the Paycheck Protection Program, a program implemented by the U.S. Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act, from a qualified lender (the "PPP Lender"), for an aggregate principal amount of approximately $732,800 (the "PPP Loan"). The PPP Loan bore interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, had a term of two years, and was unsecured and guaranteed by the U.S. Small Business Administration. The principal amount of the PPP loan was subject to forgiveness under the Paycheck Protection Program upon Interfaith's request to the extent that the PPP Loan proceeds were used to pay expenses permitted by the Paycheck Protection Program, including payroll costs, covered rent and mortgage obligations, and covered utility payments by Interfaith. It was Interfaith's intent to apply for forgiveness of the PPP Loan with respect to these covered expenses. To the extent that all or part of the PPP Loan was not forgiven, Interfaith would be required to pay interest on the PPP Loan at a rate of 1.0% per annum, and commencing in August 2021, principal and interest payments would be required through the maturity date of April 22, 2022.

The terms of the PPP Loan provided for customary events of default including, among other things, payment defaults, breach of representations and warranties, and insolvency events. The PPP Loan repayment could be accelerated upon the occurrence of an event of default.

Doorways submitted the PPP loan forgiveness application in August 2021 and received approval of this application from the SBA on October 7, 2021. The full amount of the loan was recognized as a gain on extinguishment of debt on the consolidated statement of activities in 2022.

12. Missouri Medicaid Waiver Program

Cooper House functions include, but are not limited to, dispensing medication, monitoring resident health concerns, and providing healthcare professionals to administer patient issues as they arise. Doorways is reimbursed for these rehabilitation services by the Missouri Department of Mental Health under the Medicaid Waiver Program on a per diem basis. For the years ended June 30, 2022 and 2021, Doorways recognized total income of $2,486,465 and $1,954,524, respectively, from the Medicaid Waiver Program, which is included in Medicaid and private pay services in the consolidated statement of activities. At June 30, 2022 and 2021, $208,781 and $171,855, respectively, was receivable.

13. Direct Assistance

The expense category entitled direct assistance appearing in the consolidated statement of functional expenses consists of expenses for rents and utilities for the benefit of qualifying individuals and certain operating expenses of Cooper House, Delmar, Gertrude, Jefferson Park, Inc., Tenth And Lami, Inc., Mama Nyumba, Kaya Malaika and Partridge Place. A summary is as follows:

	2022	2021
Assistance for qualifying individuals	$ 6,242,175	$ 6,291,012
Cooper House expenses	256,882	222,747

Partridge Place utilities	37,398	35,157
	$ 6,698,437	$ 6,718,802

14. Concentrations

Doorways operates in a heavily regulated environment and is subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies, including, but not limited to the Departments of HUD and HHS. Such administrative directives, rules and regulations are subject to change by acts of Congress or administrative changes mandated by HUD or HHS and may occur with little notice or inadequate funding to pay for the related compliance costs. For the fiscal years ended June 30, 2022 and 2021, Doorways recognized total income of $4,600,680 and $4,633,414, respectively, from HUD and $3,010,931 and $2,899,002, respectively, from HHS.

Additionally, Doorways receives funding for certain residents from the Missouri Department of Mental Health (DMH) under the Medicaid Waiver Program. DMH reimburses Doorways for the expenses associated with the rehabilitation of these individuals. Doorways recognized total income of $2,486,465 and $1,954,524 from DMH for the years ended June 30, 2022 and 2021, respectively.

15. Capital Advance Agreements

Jefferson Park, Inc., Tenth And Lami, Inc., Mama Nyumba, Kaya Malaika, and Partridge Place have entered into Capital Advance Agreements with HUD. Capital advances do not bear interest and are not required to be repaid so long as the housing that was built using these funds remains available to eligible very low-income households for a period of 40 years in accordance with Section 811 of the National Affordable Housing Act. If the housing does not remain available to very low-income households until the maturity date of the Note, HUD may bill these projects for the entire capital advance outstanding plus interest since the date of the first advance. Each of these capital advances is secured by a deed of trust on the property constituting a valid first lien on the property and improvements of the respective project.

As of June 30, 2022 and 2021, Jefferson Park, Inc. had drawn $1,248,800, Tenth And Lami, Inc. had drawn $1,393,000 and Mama Nyumba had drawn $1,372,400 on their respective capital advances. The maturity dates of the Notes for Jefferson Park, Inc., Tenth And Lami, Inc. and Mama Nyumba are January 2034, September 2035 and April 2039, respectively. Due to the low probability that the Projects will default on the terms of the Capital Advance Agreements, Doorways has elected to treat the entire proceeds as components of net assets without donor restrictions on the consolidated statement of financial position.

As of June 30, 2022 and 2021, Kaya Malaika had drawn $2,157,100 on its capital advance agreement. As of June 30, 2022 and 2021, Partridge Place had drawn $1,576,500 on its capital advance agreement. These are included in long-term debt in the consolidated statement of financial position (Note 7).

16. Restricted Deposits And Funded Reserves

The Capital Advance Agreements of Jefferson Park, Inc., Tenth And Lami, Inc., Mama Nyumba, Kaya Malaika and Partridge Place require each project to set aside amounts for the replacement of property and other project expenditures approved by HUD.

Additionally, HUD requires each project to deposit all surplus cash into a residual receipts account. The projects received notice from HUD in September 2015 stating that any balance greater than $250 per unit in a residual receipts account must be remitted to HUD's Accounting Center upon termination of the Project Rental Assistance Program Agreement. These Agreements renew annually, and the projects are prohibited from making any rental increases without prior approval from HUD. The residual receipts balance for each project meets the HUD requirements.

HUD restricted deposits for replacement of property and residual receipts totaled $639,904 and $569,180 at June 30, 2022 and 2021, respectively.

HUD also requires each project to hold security deposits received by tenants in separate federally insured, interest-bearing accounts. Security deposit accounts for these projects totaled $23,008 and $22,707 at June 30, 2022 and 2021, respectively.

At the NMTC closing, proceeds from debt were placed in a disbursing account for construction costs. The amount of proceeds remaining to be spent totaled $664,114 and $5,163,868 at June 30, 2022 and 2021, respectively. In addition, a portion of the proceeds at closing were required to be set aside in a reserve escrow. The balance in the reserve escrow account totaled $190,863 and $223,843 at June 30, 2022 and 2021, respectively.

17. Deferred Compensation Plan

Doorways maintains a deferred compensation plan under Section 403(b) of the Internal Revenue Code to which eligible employees contribute on a tax-deferred basis. Doorways matches contributions up to a maximum of 3%. Contributions for 2022 and 2021 amounted to $69,396 and $66,466, respectively.

18. Contributed Nonfinancial Assets

Doorways received the following contributions of nonfinancial assets for the years ending June 30:

	2022	2021
Auction items	$ 26,900	$ 6,250
Professional services	22,812	85,000
Materials	2,110	3,000
	$ 51,822	$ 94,250

Doorways receives items to be sold at its annual auction. Contributed auction items are valued at the gross selling prices received. The proceeds from the sale of auction items are used for general purposes. Donated professional services include legal and marketing services that are recorded at fair market value. Doorways also receives donated materials, which are used in its programs and are recorded at fair value at the date of receipt.

19. Liquidity And Availability Of Financial Assets

At June 30, Doorways' financial assets available within one year of the consolidated statement of financial position date for general expenditures are as follows:

	2022	2021
Cash and cash equivalents	$ 873,493	$ 1,779,693
Tenant accounts receivable	19,022	20,846
Medicaid receivable	208,781	171,855
Accounts receivable - HUD	2,345	12,080
Accounts receivable - 340B program	87,889	77,317
Grants receivable	2,151,291	1,182,745
Interest receivable	14,554	27,167
Promises to give - short-term	654,250	878,094
Short-term investments	3,917,681	4,596,898
	7,929,306	8,746,695
Less: Amounts subject to donor restrictions	(5,449,926)	(4,322,019)
Financial Assets Available To Meet General Expenditures Over The Next Twelve Months	$ 2,479,380	$ 4,424,676

Doorways regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

Annually, the Organization conducts a rigorous process to develop the operating and capital budgets for the succeeding fiscal year. The resulting budget is presented in detail to the Board of Directors for approval in advance of the respective fiscal year. Monthly, a budget v. actual statement of revenue and expense is prepared by the finance office, which is reviewed timely by the Finance Committee of the Board of Directors.

The Organization has a complex array of reimbursable government funding sources as discussed in Note 11. Due to the complexity of managing the different funding sources and timing of reimbursements, it is essential to maintain the revolving lines of credit as discussed in Notes 7 and 8.

The Organization's short-term investments are held without donor restrictions. While not specifically designated by the Board of Directors, the investments are held with the intent to be available in the event of the loss of a significant funding source or for major capital or programmatic expansion. At the end of each fiscal year, liquidity is analyzed and projected for the next twelve months to determine if operating funds can be transferred to the investment accounts.

The Organization receives significant contributions restricted by donors both for programmatic operations and for the capital campaign launched in fiscal year 2019. These amounts are not considered available to meet general operating needs over the next twelve months and the total of such has been deducted in the analysis above.

20. Commitments And Contingencies

Doorways routinely receives and expends federal grant awards and also provides federal awards to subrecipients. Compliance with the requirements of laws, regulations, contracts and grants could have a direct and material effect on the major federal programs. Management does not believe any noncompliance, which would result in reimbursement to the federal government to be material to Doorways' consolidated financial statements.

Doorways is a direct party for lease agreements for 18 families in the Jumpstart program. The initial lease term is for a period of one year and renewals are month-to-month.

Interfaith has entered into a contract for construction including change orders totaling $8,246,750 of which $2,478,409 has not been completed at June 30, 2022.

The NMTC transaction includes an indemnity agreement on behalf of the Investment Fund and an Investment Fund Put and Call Agreement. The QALICB is a Qualified Active Low-Income Community Business. As a result, Interfaith, the Leverage Lender, and the QALICB (collectively, the Indemnitors) guarantee NMTC compliance in connection with the loans obtained from the sub-CDE to prevent recapture of these credits. This guarantee will be up to the full amount of any recapture and/or lost credits, including interest and penalties thereon. In addition, the Indemnitors have made other guarantees for the benefit of the Investment Fund, such as environmental indemnification. The maximum potential amount of future payments cannot readily be determined due to the nature of these guarantees.

Following the earlier of (a) the seventh anniversary of the date of the last qualified equity investment made by the Investment Fund with respect to any qualified low-income community investment in the QALICB, and (b) the date that a Recapture Event has occurred, the Investment Fund shall have the right and option, but not the obligation, to require Interfaith as the Leverage Lender to purchase all of the Investment Fund's interest in the sub-CDE. The purchase price for the Investment Fund's interest shall be $1,000 plus any further amounts payable to the Investment Fund as defined in the Investment Fund Put and Call Agreement. The Investment Fund shall have 180 days to exercise its option. Provided the Investment Fund has not exercised its option, the Leverage Lender shall have the right and option, but not the obligation, to purchase all of the Investment Fund's interest for 180 days. If the Leverage Lender exercises its option, the purchase price for the Investment Fund's interest shall be an amount equal to the fair market value of the Investment Fund's interest as defined in the Investment Fund Put and Call Agreement. These options are expected to be exercised and will ultimately result in Interfaith as the Leverage Lender owning the Investment Fund's interest in the sub-CDE, including the debt to the QALICB. This ownership acquisition will allow Interfaith to "collapse" the NMTC deal, repaying all outstanding obligations with no additional capital outlay.

21. Subsequent Events

Management has evaluated subsequent events through the date, which the consolidated financial statements were available for issue, which is the date of the Independent Auditors' Report.

In 2018, Doorways launched a capital expansion plan to build a new campus to increase Doorways' capacity to provide service-enriched housing, and facilitate the relocation of its administrative and program headquarters. Ultimately, the plan entailed an $8 million capital campaign, combined with a myriad of funding sources including the NMTC and LIHTC deals described in Notes 1 and 7 as well as financing via the line of credit agreement with Busey Bank discussed in Note 7.

On Wednesday, October 19, 2022, Doorways opened its new Jefferson Avenue Campus at 1101 North Jefferson Avenue. A nationally pioneering model of care, this state-of-the-art campus is designed to deliver 360 degrees of comprehensive services, removing access and navigation barriers to create a network of client support including housing, empowerment programs, and resource access.

The three-acre complex is initially comprised of two primary buildings, with construction slated to begin on a third structure in 2023. The largest building is the 35,000 square foot, multi-story wing, which contains fifty (50) units of housing for up to 112 people per night. The second, a 20,000 square foot building, is located along Jefferson Avenue. It includes a client services and programming facility, numerous private rooms for client intake services, community room, and administrative offices.

The new campus features a planned retail pharmacy, as well as meeting space that can be used for community screenings, health fairs, and job fairs. It will also create a social atmosphere to allow Doorways' clients to have a source of community interaction, free of stigma and fear.

Doorways' new campus is also a landmark in public art and social consciousness. A well-known sculpture by renowned African American artist Kehinde Wiley is featured on the southeast edge of the new campus. The work is on generous long-term loan to Doorways from the St. Louis-based Gateway Foundation.

The third structure will add thirty-nine (39) units of permanent supportive housing, funded via Low-Income Housing Tax Credits and other government sources.

22. Restatement

The accompanying financial statements have been restated to correct an error in the accounting for related party notes receivable and notes payable. The effect of this correction at June 30, 2022 was an increase in Note receivable - Doorways 2.0, L.P. in the amount of $1,010,000, a decrease in interest receivable and due from related party in the amount of $10,000, an increase in note payable - City of St. Louis Mental Health Board in the amount of $250,000 and an increase in note payable - Federal Home Loan Bank in the amount of $750,000. The changes had no effect on net assets as of June 30, 2022 or the change in net assets for the year ended June 30, 2022. For the year ended June 30, 2022, net cash used in investing activities increased $1,000,000 and net cash provided by financing activities increased $1,000,000. This correction had no effect on net assets as of July 1, 2021 or July 1, 2020 or on the change in net assets for the year ended June 30, 2021.
